How Did I Do?

Writing genre: Story

1. Does your story have a clever beginning?
2. Does the middle of your story have enough details to make it interesting?
3. Does the ending make sense?
4. Does your story have strong, interesting characters?
5. Which is stronger - your plot, your characters, or your setting? Why?
6. Where did you use details and dialogue the most effectively?
7. What do you and your readers like best about your story?
8. What goals would you like to set for your next story?
